SpeedEvents Internationals June 2025

Due to miss in communication from Speedevents.se to NDRS Motor Club about their decision to make a 50% reduction of normal entry fee for the junior classes Jnr Dragster and Jnr Drag Bike.

The entry fee for these classes have been published at a higher level in the supplementary regulations. The normal entry fee should be and are now set to 2250 SEK instead of 4500 SEK as published earlier.

With this correction in mind the organizers have made the decision to extend the deadline for normal fee for all classes to midnight may 24th.
