Instructions of environmental, safety or local type

All competitors must have at least one fire extinguisher of at least 6 kg powder (preferred), 6 liters of foam or 5 kg carbon dioxide clearly visible in the pit area. The fire extinguisher must have been inspected within the 12 last months. This is in addition to any fire extinguisher systems within race vehicles.

It is mandatory to have an environmental mat, oil absorption fabric, placed underneath the entire vehicle in the paddock/pit to prevent oil on the paving/into the ground.

Residual chemicals, such as oil, fuel and other chemicals should be disposed at recycling stations at the track. ***In the event of oil spill in the pit space a fine of 3000 SEK, will be issued to the team.*** All other types of garbage must be sorted in fractions at the recycling stations at the track.

As electricity will be provided to all race teams, regardless of fuel (gasoline, diesel, kerosene etc...) the use of stand-alone and/or separate electric power generators is not allowed at Tierp Arena. (Depending on if you have booked 16A or 10A electricity in the pit you have received a special plastic stripe that should label your electric cable. The colored stripe should be attached at the end of the cable so it's possible to check without entering the trailer.)

Paddock silence (no competition engines running) must be respected between 21.00 and 08.00 every night. For FIA cars and Competition Eliminator the curfew is between 21.00 and 09.00.

Speed limit in the paddock is 10 km/h.

During the race weekend, no vehicles may be driven in the pits other than in directly race-related purposes. Your tow-vehicle must be marked with Your start number and class. No joy riding permitted. All drivers/riders of tow-vehicles and similar, must be over 15 years old. All drivers or riders of any gasoline or electric powered vehicle must have a valid driver's license. No skateboards, kick-bikes, Segways, go-carts, etcetera allowed.

It is not allowed to fly drones over Tierp Arena.

Non-observance of any one of these rules may result in exclusion from the event.

We also remind all competitors with a Swedish license to fill in crewmembers (for "medförsäkradnämälän") when filling out your entry form at www.dragracing.eu. This is voluntary for non-Swedish teams but may be of help in case of an accident.

Leaded gasoline

The use of or handling of leaded gasoline is not allowed at any circumstance as being prohibited by Swedish law.

Pets and Animals

Pet animals such as dogs, cats or other animals are NOT allowed at Tierp Arena during the event.

Entry Form and Entries

Anybody wishing to take part in **SpeedEvents Finals 2026** must fill out the on-line Official Entry Form, duly completed, and pay their entry by the appropriate closing date at www.dragracing.eu.

- Foreign competitors must have the authority of their ASN (cars) or FMN (bikes).
- Entry forms, which are amended, incomplete or defaced, are invalid.
- The organizers have the right to refuse an entry without giving any reason
- The organizers reserve the right to limit the number of entries in each class and at the event
- By the fact of their entry all competitors will be deemed to have declared that the vehicles, team and personnel under their control will comply with the regulations throughout the event.
- Payment may be done by using international VISA or MasterCard. (For Swedish entrants national VISA and Master Card Maestro will also be possible to use.)

A confirmation will be sent out when your payment is accepted, but each driver/entrant must visit the website www.dragracing.eu to see if his or her entrance has been correctly registered. The entries will be published as racers register. Should your name be missing on the list, or if you have any other questions regarding your entry, please contact NDRS Motor Club e-mail: ndrsmc@dragracing.se for additional information.

In case of team tickets that have been picked up, but no vehicle has been taken through scrutineering there will be a charge which matches the difference to the same amount for spectator weekend tickets. If there is sign of obvious misuse of pit space, an invoice based on the amounts under the paragraph "Pit Space" will be sent to the entered driver.

To withdraw an entry the team/driver must send an e-mail to ndrsmc@dragracing.se and report name, class and start number before September 18th.

Please note that all teams have to leave the pit area of the arena no later than 10.00 Monday September 28th

Please help us and leave your pit area nice and tidy.

Pit space

The allocated pit space for each team is 7 x 18 meters except Top Fuel Dragster where each team is allocated 10 x 18 meters. For pit planning purposes it is required that each team gives correct space requirements when filling out the entry form. Additional pit space may be provided at a cost of **7000 SEK** per meter in width after agreement with NDRS MC. For any pit space related questions, please contact NDRS MC at e-mail: pitspace@dragracing.se

Administrative Checking

All drivers must report to the Main Gate to register and to receive documents necessary for the administrative checking and scrutineering and to receive any additional supplementary regulations.

The administrative check will take place at the scrutineering building and will consist of an inspection of the documents, International License, ASN's, FMN's authorization where necessary, etc. Unless the stewards of the meeting have granted a waiver, those competitors and drivers who fail to report to checking shall not be authorized to take part in practice or the race.

Scrutineering

Any vehicle taking part in the event must be presented by the driver or his official representative to scrutineering, which will be held at the scrutineering building. Opening hours as per the "Program" on page 2 of this document

Any vehicle arriving after the closure of scrutineering may be refused permission to start. Additional scrutineering may be carried out at any time during the event. The drivers' safety clothing (protective clothing, helmets, gloves etc.) must be presented with the vehicle at scrutineering.

It is the responsibility of the competitor that the race vehicle and necessary safety equipment used at the event complies with its current technical and safety regulations according to FIA, FIM-E, SBF and Svemo.

Qualifying & Elimination

The qualifying sessions will be held in accordance with the current FIA, FIM-E, SBF and Svemo Drag Racing Regulations.

In Top Fuel, Top Methanol Dragster/Top Methanol Funny Car, Pro Stock, Super Twin Bike, Top Fuel Bike and Pro Stock Bike the FIA progressive 8-ladder system will be utilized if there are enough qualified drivers.
